

The Talmud: the Tricknology of the Jews

Holy Quran 2:79 "Woe! then to those who write the Book with their hands then say, This is from Allah; so that they may take for it a small price. So woe! to them for what their hands write and woe! to them for what they earn."

There are many translations of the Talmud into many languages, but the offending, anti-Black and anti-Christian, anti-Gentile, Jewish supremacist passages are still firmly in place. The Talmud uses many names to designate all non-Jews including Minim, heathens, idolaters, gentiles, Egyptians, Edom, and goyim, among several others.
