Young children are being subjected to Zionist Mind Control through hateful anti-German Hollywood propaganda movies and television shows. This evil brainwashing must be stopped!

WHEN TALKING ABOUT the holocaust™ you must understand that we're not dealing with history here, we're dealing with religion and appeals to religious sensibilities. The holocaust religion embodies the same prerogatives that religions of other types require of their followers, which is suppression of blasphemy, conformity in terms of orthodox belief, the upholding of the correct dogma, the revering of relics, the canonization of martyrs, etc — all of these are hallmarks of the religion of Holocaustianity.

If we are to understand the religious dimensions of what is promoted as “history,” then we must excavate the Talmudic Jewish mentality of perennial victim-hood. Talmudic cry-baby whiners demand special privileges

and immunities, as they consider themselves a Holy “Chosen People” above all others.

What are these special privileges and immunities?

Above all, the “Goyim” are not allowed to question “God’s Chosen People” in any capacity. Yet the Chosen Ones are allowed to level any charge, any libel, any mytho-maniacal tall tale concerning the “hateful German Gentiles,” and while they’re doing this we must all sit silently and acquiesce passively or else! So, apparently, they have the right to do this; meanwhile if we accuse the Chosen Ones of perpetrating a **slow-motion genocide against the Palestinians**, mass murder in Lebanon, Syria, Jordan and Egypt, or of **being behind the genocide of millions ten-fold under the yoke of Communism in Russia and Eastern Europe**, then we have committed nothing less than the cosmic crime of “blood libel.”

Jews believe that their tribal god Yahweh has declared them a Holy “Chosen People” superior to all others.

So, you can clearly see here the Talmudic Jewish mentality. There is one law for the Holy “Chosen People” and another for the lowly “Goyim.”

Long ago the Jews fabricated the “Exodus” story to overwrite their sordid history of slave-trading and slave-holding through a clever reversal of the truth to claim that the Jews had been the slaves. In the 1930's Soviet-Communist Jews employed mobile gas chambers inside sealed armored buses which choked to death scores of Ukrainians by carbon monoxide from running engines. In 1944 the [New York Times reported](#) that Jews were calling on the governments of Britain and the U.S. to perpetrate deadly poison gas attacks against Germany. The “Holocaust” or “Shoah” story was fabricated as yet another clever reversal of the truth to portray the Jews as the “victims” of gassings. In 1941, an American Jew named Theodore Kaufman published his evil manuscript titled, “**Germany Must Perish!**”, within which he called for the genocide of all German Gentiles in a “**final solution.**” The Jews then flipped the script on the Germans, accusing them of plotting an evil conspiracy to kill the Jews in a “final solution.” How clever.

“6,000,000 Dead or Dying Jews”, A Staple of Zionist Propaganda Since 1900

Shortly following the formation of the [World Zionist Organization](#) in 1897 by Theodore Herzl and Max Nordau, stories began to appear in the Western press hysterically alleging an imminent **“holocaust of six million Jews.”** In 1911 at the tenth Zionist Congress in Switzerland, the apparently psychic Zionist Max Nordau [proclaimed that 6,000,000 Jews would soon be annihilated](#) by European governments. Eight years previous to this, in 1903, Nordau [told the sixth Zionist Congress](#) there would be a “world war” which would pave the way for the establishment of a Jewish State in Palestine, with the help of England.

The claim of “six million” Jews on the precipice of

THE CLAIM OF SIX MILLION JEWS ON THE PRECIPICE OF
extermination was regularly promoted by Zionists
since 1900. Arch-Zionist Rabbi Stephen S Wise was
the original progenitor of this deceitful propaganda
story. He co-founded the World Jewish Congress
and attended the Second Zionist Congress in Basel
in 1898, where the plot was hatched. Wise spoke of
“6,000,000 living, bleeding, suffering arguments in
favor of Zionism” back in 1900, and was
aggressively promoting the “six million dead or dying
Jews” hoax in 1942, after Dr. Paul Nathan had tried
in vain to launch the very same hoax in 1906, along
with Martin Glynn who replicated this hoax in 1919.

It seems, the “Jewish Holocaust” that supposedly
happened in Nazi Germany during the latter years of
the Second World War, actually wasn’t the first
Jewish Holocaust at all. It wasn’t even the first in
that century. In fact, looking at this collection of
newspaper articles and clippings from the late
1800s through the 1940s, it would appear there has
been a continual “holocaust of six million Jews” in progress since at least 1890 — if one were to actually
swallow all the trumped-up atrocity stories Jews have propagated through the media during this five decade
time period.

A must read is Don Heddesheimer’s substantive work “[The First Holocaust](#)” which also documents post-WWI propaganda that claimed
East European Jewry was on the brink of annihilation, regularly
invoking the cabalistic six million figure. It gives details how that
propaganda was used to agitate for minority rights for Jews in Poland,
and for Zionism and Bolshevism in Poland and Russia; and
demonstrates how Jewish fundraising operations in America raised
vast sums in the name of feeding Polish and Russian Jews, then
funneled much of the money to Zionist and Communist “constructive
undertakings” — including banks, unions, and kibbutzes — rather than
to starving Jews. “The First Holocaust,” which includes eye-opening
testimony from American diplomats and military attachés stationed in
Poland and Russia that contradicted Jewish persecution claims, is an
incisive examination of a cunningly contrived campaign of atrocity and
extermination propaganda two decades before the alleged WWII
Holocaust.

It is also noteworthy that the authors of the vast majority of those
newspaper articles were the richest of Wall Street’s Jewish bankers
and leaders of Zionist pressure groups; Schiffs and Warburgs among
them. Is this perhaps a clue to their original purpose of these claims of
perennial persecution? Was their aim always financial extortion?
Looking at the “compensation” claims of “holocaust survivors” today
against countries that patently had nothing to do with any holocaust (even if we presuppose that one
actually HAD occurred), like Belgium and Switzerland, it would appear, at least to a jaundiced eye, that this is
indeed the case.

One might easily conclude that if those *first* holocaust claims were true, it would dominate our history books

The Jews have endeavored to engender the “Six Million dead or dying Jews” fable in the public consciousness for decades prior to the events of the 1940’s.

The First Holocaust, a must read book by
Don Heddesheimer that exposes the
deceitful nature of Jewish persecution
claims and fundraising campaigns dating
back to 1900.

as the "First Holocaust." But since it cannot be found there, we can rightly assume that these stories were a tissue of fabrication. Solely from that observation we can further conclude that the perpetual Jewish-Zionist claims of mass extermination that emerged during and after the Second World War (which have increased in intensity ever since) is no more reliable than the totally discredited propaganda claims of massive Jewish persecution, death and imminent extermination before, during and after WWI. Simply on that basis — without even broaching the scientific-technical findings, evidence and arguments that contradict the claims made by Jews about mass killings in gas chambers in Nazi concentration camps — we can confidently disbelieve the "official story" of the alleged WWII Holocaust.

The official narrative of the alleged WWII "holocaust of six million Jews" follows exactly the pattern of Zionist propaganda that first emerged at the dawn of the 20th century. This directly undermines and cheapens the latter story's credibility and veracity. Considering Germany collapsed totally after the war and was not able to defend itself against such propaganda because it is punishable by law in Germany and many other European countries to challenge those claims, we can safely conclude that the Zionist Jews who lied about the "First Holocaust" are also lying about the second.

Further damning evidence of a premeditated hoax is the fact that Jewish leaders and lobbying groups within the United States had already been anticipating exactly six million Jewish casualties as soon as WWII commenced. As early as 1936, Zionists who originally coined the phrase "*Final Solution of The Jewish Question*", somehow knew exactly 6,000,000 Jews had "neither hope nor future" in Europe. In 1939, World Zionist Organization chairman and Balfour Declaration architect, Chaim Weizmann, proclaimed: "***The fate of six million people was in the balance.***" A month into the war in October of 1939, a Jewish newspaper, *The Jewish Criterion*, predicted that "***the coming world war would be the annihilation of six million Jews in East and Central Europe.***" In 1940, Nahum Goldmann, the chairman of the World Jewish Congress, announced that if the Nazis achieved final victory "***6,000,000 Jews in Europe are doomed to destruction.***" In 1942, British Jew, Victor Gollancz, repeated the "6,000,000 Jews on the verge of extermination" mantra. In 1943, a Zionist pressure group, the American Jewish Committee, peddled familiar propaganda of the imminent destruction of "6,000,000 Jews" by Nazis. This same year, Jewish Hollywood screenwriter, Ben Hecht, wrote in the Reader's Digest Magazine: "***Of these 6,000,000 Jews almost a third have already been massacred by Germans, Rumanians, and Hungarians, and the most conservative of the scorekeepers estimate that before the war ends at least another third will have been done to death.***" During and after the war this devil supported the Jewish terrorist organization, Irgun, "by writing propaganda and fundraising." Among the countless atrocities perpetrated by this group was the Deir Yassin massacre and King David Hotel bombing.

Slaughtering Palestinian men, women and children, was the specialty of the evil Jewish Irgun, as well their counterparts in the Stern Gang and the Haganah.

Jewish bankers instigated WWII to get rich, as well as forge the path for the creation of the satanic entity known as "Israel."

Jewish Liars Expose Themselves, Proclaim "6,000,000 Jews Dead" Before War Was Over

A supreme indictment of the hoax is the fact that the Jews prematurely announced exactly 6,000,000 Jews

had died before the war was even over!

For example, in September of 1944, eight months before the war had ended, Jewish-Communist Union leaders from the U.S. [had already made the claim that](#) “almost 6,000,000 Jews” had been “murdered in cold blood” by the Nazis. In November of 1944, still long before the war was over, [several newspapers had the headings](#) “Six Million Jews Listed Slaughtered” and “Six Million Murdered”. These articles were based on the allegations of “[The Black Book](#)”, a ravenously anti-German hate propaganda screed authored by [Ilya Ehrenburg](#), the prominent Soviet-Jewish propagandist, [who had previously exhorted Soviet troops to exterminate all Germans and to rape German women](#). In March of 1945, Ehrenburg [announced](#): “**the world now knows Germany has killed six million Jews.**” Prior to that in [January](#) of 1945, a Jew named Jacob Lestchinsky [proclaimed](#) at the annual conference of the Yiddish Scientific Institute that exactly 6,000,000 Jews had perished during the war (fully four months *before* it was officially over!). At a March 1945 Congressional Hearing, Joseph Thon, representing *The National Organization of Polish Jews in America*, [stated to the committee](#): “***The German people murdered, in cold blood, in excess of 6,000,000 European Jews ... I accuse the whole German people that in the years 1939 to 1945 they slaughtered upward of 15,000,000 men, among which there were 6,000,000 Jews.***” These hysterical pronouncements were made by these Jews long before any statistical data or demographic figures could have been available to them; thus exposing themselves as frauds and liars seeking political advantage through atrocity propaganda. Ironically, in May of 1945 the New York Times (the primary mouthpiece of Zionist atrocity propaganda since 1890) [unwittingly reported](#) that “**more than 6,000,000 people**” had been “liberated” from Nazi concentration camps — not exterminated!

We are either to believe the theory which holds physics / science / natural law in contempt and asserts that revisionists are lying in order to [have their careers ruined, face jail sentences or heavy fines, get blown up / beaten up, terrorized, etc.](#) Or another theory that has “witnesses” lying for huge sums of money (“reparations”, movie deals, book deals, fame / fortune, etc), political power / leverage to establish the (terrorist) state of Israel in Palestine after the war, misdirect public attention from the genocidal crimes of the Jewish Bolsheviks in the USSR, and forever stifle dissent of opponents / critics of Zionism, Communism, Jewish power, and Jewish wrongdoings generally. Which theory makes more sense to you?

One of the real agendas behind this perpetual “Holocaust of six million Jews” propaganda campaign was a fund raising drive to support various aspects of the [Jewish-dominated communist revolution in Russia](#). In other words, to finance the Jewish-Soviet holocaust of millions of Russians, Ukrainians and others, in the Soviet sphere of influence.

The second large-scale agenda behind these eternal Jewish persecution lies, especially during WWII, was to drum up another fund raising support campaign for the creation of a Jewish state in Palestine. The Jewish globalists realized that the hoax was believable only in the context of a world war that had killed more than 60 million people. Under the fog of this catastrophic war, all the death, destruction and confusion, could be used as a front to institutionalize the Holocaust™ racket to achieve their goal of stealing Palestine. This propaganda assault has yet to cease because Israel relies heavily on Western nations for economic, diplomatic and military support in order to keep it going — like a tapeworm attached to our bowels.

For instance in 1936 the leading Zionist

For instance, in 1936, the leading Zionist organizer and influence-peddler of the 20th century, Chaim Weizmann, told the Peel Commission that “**6,000,000 Jews are sentenced to be imprisoned in this part of the world [Europe], where they are unwanted...**” His obvious goal with this sympathy-peddling charade was to coerce the British to help him create the state of Israel on the ashes of the Palestinians. On May 31, 1936, the New York Times reported that American-Zionist lobbying groups were desperately calling on Christian leaders and British elites to help them create the state of Israel to relieve the “**sufferings of the millions of Jews in the European Holocaust.**” The article says such things as, “**God has bestowed upon England one of the greatest missions in human history — the salvation of Israel and restoration to its ancient patrimony ...**

throw open the gates of Palestine and let the victimized and persecuted Jews escaping from the European Holocaust ... help transform Palestine into a Jewish homeland to which the persecuted Jews of the world may freely come” (and that) “**The restoration of the land of Israel to the children of Israel is the guiding star in this great struggle for a better world and a better humanity.**” All of this spoken three years before the German invasion of Poland and the creation of the Warsaw Ghetto; Auschwitz wasn’t started until 1940! Note the Zionist theme of [this article](#) published in the *Turtle Mountain Star* on October 6th, 1938, with the heading: “**Jews Are Fighting for a Homeland**”. The article tells us that Israel must be created so that Jews can be safe from “persecution”. It states: “**Five or six million Jews, uprooted by dictatorships and tossed around by economic storms, may have to depend upon the development of the Holy Land, under British Mandate, as a solution to their difficulties.**”

The brazenly distinct pattern of Jewish-Zionist persecution propaganda dating back to 1900 is extremely damning, and, in itself, is discrediting to the WWII Holocaust story. Without even getting into the scientific arguments that refute the Holocaust story, (which I have covered in previous articles, [here](#) & [here](#)), one can, based on the facts outlined herein, confidently discount the WWII Holocaust story as a sack of Zionist dung-heap to pave the way for Israel’s illegal creation.

Holocaustianity: A Brainwashing Campaign to Establish “New World Order” Under Jews

On October 6, 1940, the New York Times ran an article titled, “**New World Order Pledged To Jews.**” It reported that Arthur Greenwood of the British War Cabinet pledged the Jews a “New World Order” upon the defeat of the Axis Powers in WWII. Greenwood was quoted as saying that in this New World Order the “conscience of civilized humanity would demand that the wrongs suffered by the Jewish people in so many countries should be righted.” He added that after the war an opportunity would be given to Jews everywhere to make a “**distinctive and**

Zionist power brokers were hell-bent on creating Israel as a central organization for their international world swindle.

World dominion is their stated goal in the Protocols of Zion, and they're well on their way to accomplishing it.

constructive contribution in the rebuilding of the world." In other words, he offered the Jews a platform for world domination.

Similarly, in 1991, a Jewish Freemason from the Canadian branch of *B'nai B'rith*, Ian J. Kagedan, subtly let slip the purpose behind the endless, world-wide Holocaust™ promotion campaign — it would be utilized as a vehicle for Jewish world dominion. In the [November 26, 1991, edition of the Toronto Star](#), Kagedan ominously crowed: "***Memory of the Holocaust is central to the new world order... Achieving our quest of a "new world order" depends on our learning the Holocaust's lessons.***"

Free Yourself From Zionist Mind Enslavement

The Jews have been holding the Western world hostage with this fantasy story since 1945. Despotic western governments, beholden to Jewish political and economic interests, [have ruthlessly persecuted dissidents](#) ("heretics", "blasphemers", "heathens", to use religious terms) who have bravely challenged this evil Zionist hoax.

According to [this 2002 article](#) more than 170 films about the so-called Holocaust™ have been made since 1989. One can only guess at how many dozens more have been made since. If you include documentaries and television specials about the holohoax you could [add more than 150 to that number](#). This is hardly surprising, considering how the Hollywood film and entertainment industry is a [Jewish institution](#) — a perennial lie-factory for Zion; a mouthpiece for Jewish World Supremacy.

This endless barrage of holohoax propaganda amounts to nothing less than Jewish mind control and ideological enslavement to Zionism. A majority of the Western public today are basically brain-dead servants of Zion, who worship at the feet of Jewish terrorists, swindlers, war criminals and big-shot Hollywood liars and attention seekers. It doesn't matter how much undeniable proof and evidence you throw in their faces discrediting the farcical story the Jews have deceptively woven into our history books. They will refuse to accept that evidence on its undeniable merit, instead siding with a scientifically impossible, whimsical fairy tale because of its emotional appeal and the religiosity that emanates from it. People enjoy being told what to think. And it looks like they will continue to blindly believe in the "Big Lie" of Holocaustianity for a long time to come, unless more people join the fight to dismantle this great historical lie and swindle of near-planetary proportions.

Our television sets have become nothing less than Zionist brainwashing devices.
